FROZEN 2 Contract for seniors and youth parts 2020-21

I, _____ (student's name) wish to be part of the 2020-21 Senior production of **FROZEN 2**. In order to do so, I must always know my choreography for my regular class (classes) as well. I realize that I will be asked to attend extra practices for my part in **FROZEN 2** and I am ready to make that commitment. I am willing and able to attend the senior practices which will possibly be scheduled every Wednesday night from 7:15-9PM. I may also have to attend classes other than my own through-out the semester because of my character that is in that class's choreography. I understand that I will be given a schedule of extra practices at the beginning of each month and I will do my part to attend the practices I am scheduled to be at. I will read my emails each week and respond to each of them that I have read them. I also understand that if I miss a senior practice then I will not be part of the senior dance/youth dance that I missed the practice for. I understand that I will be given the entire music for **FROZEN 2** so that I can understand the show as well as know all my lyrics to all of my songs before those songs are scheduled for rehearsal. I fully understand these rules and am willing to abide by them.
