

Cast for Frozen 2

Hi everyone,

Before you go looking for your names of who got parts I need you to understand my reasoning to keeping such a small cast this year. Obviously with the pandemic, I have to worry about keeping everyone safe and the fewer people I have in the studio at any one time is the way I will be able to accomplish that. Because we were not able to perform Moana , I gave the graduating seniors the opportunity to be part of Frozen 2 and of course most of them jumped at that opportunity . Therefore, I am casting the Moana seniors as the people from Northuldra therefore limiting the number of parts I can give to youth students who tried out in August. I want to thank all of you who tried out; your auditions were some of the best auditions we have ever seen, and you made it very difficult for us to pick parts. If you do not receive a part this year, don't ever let this stop you from trying out again. Sometimes we have to audition often before we finally get a part, but it is that journey that becomes so fulfilling when it finally does happen. I'm sorry that I can't give all of you parts but please do know this.... I am super proud that you all put yourself out there and gave us some amazing auditions!

Don't ever let a **NO** deter you....that should just make you want it so much more! Thank you for wanting to be in the CAST of Frozen 2!

Congrats to everyone who has been casted in this year's production! We will have our first mandatory meeting on Wednesday, October 28, 2020 at 7:15pm for seniors and one parent each and then at 8pm for the youth cast and one parent each. Please be present at this meeting as this is the most important meeting before we begin our Senior practices. Senior Practices will be every Wednesday evening for 7:15-9pm starting November 4th, 2020. We will discuss all of this at our first meeting.
