

THE MAINE DANCE ACADEMY, January 11, 2021 Dance and Tumbling Up-date:

1-We will return to dance and tumbling this week.

2-We are going to take extra precautions since we are returning to the studio this week: our dance store will be open from 4:15-8:15 pm on Tuesday and 4:15-6:30 on Wednesday however, **WE ARE NOT ALLOWING PARENTS INTO THE STUDIO.** (Temple and Napoleon parents can help bring their children in but we will ask you to wait for them in your vehicles.) You will need to send your child in to the store with a note of what he/she needs **with** your phone number on the note. Deana and Vicki are experts in everything in the dance store so they will be able to help your child with their supply needs. Deana/Vicki will then call you with the total and you can then VENMO your payment from your vehicle (**Our studio phone number is 207-493-1495**). I am taking these extra precautions because of so many school closures and I need your support with this decision. **This will be the only week the dance store is open this month so please make sure you grab the supplies you need this week.**

3-If your school is in RED, **you cannot** come to dance or tumbling. We will ZOOM you into class because of this. **You will need to let us know that you need to ZOOM in by telling us in your class messenger.** This is the only way that we will know who has to be zoomed in. This is your responsibility to alert us of this as it is impossible to know who goes to what school.

4- Miss Allison is planning on having tumbling this week, if anything changes you will be notified Wednesday evening or Thursday morning by the latest.

5-We are doing our best to keep everyone safe, but we also need your help. Please DO NOT send your children to dance/tumbling if they are sick OR if they have had any chance of having been exposed. **WE ALL NEED TO DO OUR PART IN KEEPING ALL OF OUR STUDENTS SAFE.**

6- **PLEASE READ THIS TO YOUR CHILDREN:** Enter the building as quickly as possible. Remove your boots, then hand sanitize and quickly move to either the locker room or waiting area (depending upon which door you come in thru) with your jackets and dance bags. Do this quickly so that the outside door does not stay open longer than necessary...the cold has set in and we want to keep the studio warm for all of you. Also, all students need to have "well-fitted" masks on at all times.

7- **PLEASE MARK YOUR CHILDRENS COATS, BOOTS, DANCE SHOES WITH THEIR NAMES SO THAT WE DO NOT HAVE ANY MIX-UPS.**

8-This week is **Christmas ornament** exchange week so don't forget your wrapped ornaments! We will be exchanging ornaments in all classes this week!

Welcome back to dance and tumbling...we will do our best to keep your children safe and we thank you in advance for helping us to do so.

My best to you all, Miss Colleen
