

# The Maine Dance Academy

## COVID-19 Liability Waiver

As the parent/guardian of \_\_\_\_\_,

I fully understand that it is my choice to have my child return to dance and/or tumbling at The Maine Dance Academy. I am making this decision knowing that the COVID-19 threat is still present and that there is a risk that my child/family could become ill from it. Even with TMDA taking the necessary precautions as mandated by the state of Maine, I fully understand that there still remains the risk of contracting COVID -19.

I agree to have my child participate in dance and/or tumbling at TMDA and take full responsibility in doing so. I will not hold The Maine Dance Academy, its instructors or staff responsible if my child should become ill or contract COVID-19.

I agree to fully comply with TMDA's newly implemented policies and changes suggested by the State of Maine's CDC's recommendations.

I will ensure that my child is in good health each week before dropping him/her off to dance/tumbling. I will agree to notify TMDA if my child has been exposed to COVID-19. I understand how imperative it is that each child remains healthy and shows no sign of illness so that we can keep everyone at TMDA safe.

It is my choice to have my child participate at The Maine Dance Academy and I do so with full knowledge of the risks as stated above.
