- 2- Tuitions are due this week. If paid by Thursday the 11th, you may deduct \$10 off each class your child is participating in. All payment plans are also due this week. Please submit your payments through VENMO by finding me at @Colleen-DuPlissie. The dance store will be open on Tuesday since class was cancelled last week. Remember to send in a note with your child (with what is needed and your phone number) if you are in need of supplies. Deana will call you with the amount and you can then VENMO her with payment.
- 3- **We will not have dance or tumbling next week due to School-Break.** Enjoy your time off from your activities and school and please remember to be safe.
- 4- We will continue to ZOOM all classes for those who wish to continue to do so from home. Otherwise, we will see everyone else in all classes this week.
- 5- Because we are continuing to ZOOM for some families, we will not use different door entries each week. Zoom classes are set up in each room on two different systems. Therefore, it is difficult to move the computers since they are now connected to the newly installed monitors. **This is how each class will enter and exit the studio from now on until further notice.**
Enter and Exit Front door: Nigel, Mini Troupe, Baryshnikov, Company, Pavlova, Twitch, Petite Troupe
Enter and Exit Back door: Temple, Tiny Troupe, Lopkova, Troupe, Napoleon, Astaire, Fosse
Tumbling: Retton enters and exits front door, Conner and Korbut enter back door and exit front door.
- 6- Again, please remain in your cars until we blink the lights for your children to enter the studio. When we are ready for them to leave, please be ready for them as we won't release them until we see you as we don't want any children running out into the parking lot.

Have a great Valentine's Day and a wonderful School Vacation We will see you all back the week of February 22!

Miss Colleen
