

Dear Dancers,

September 3, 2026

We want to thank all of you for auditioning for WICKED. We saw some of the best auditions we have ever seen and I want you all to know that you made picking parts for our cast, the most difficult year ever. With 51 of you trying out, we knew we would have to make cuts and that is probably the hardest part of this process. You ALL did so well and we couldn't be more proud of you for doing something that is not easy. Just because you were not cast this year, doesn't mean you won't be cast in the future. I had a lot of NO's myself before I received my first YES and that made me try even harder. Please do not make this your last audition. We only learn more about ourselves and what we can do from each of our auditions so I am asking you to continue putting yourself out there....and try again. We appreciate your commitment and we want to see you at auditions again next year!

For those of you who have made the cast, CONGRATULATIONS FOR BEING PART OF WICKED! We look forward to working and having fun with all of you! Below you will find your names and parts as well as info on our first meeting.
